*Transforming Schools Through Equity-Driven Leadership and Innovative Practice*

---

### **Equity & Inclusion**

- **Implicit Bias Training (Macro & Micro):**  
Facilitate transformative sessions exploring how both systemic and individual biases impact decision-making, resource allocation, and student outcomes.
  - **Culturally Responsive Teaching & Leading:**  
Train educators to implement culturally relevant pedagogy that validates and affirms students' identities while improving academic achievement.
  - **Leading for Racial Equity:**  
Equip school leaders with strategies to conduct equity audits, redesign policies, and engage in anti-racist leadership practices that dismantle systemic barriers.
- 

### **Instructional Leadership & Pedagogy**

- **The Power of Questioning:**  
Enhance instructional rigor and student discourse through high leverage questioning strategies that promote critical thinking and deeper understanding.
  - **Increasing Student Engagement:**  
Provide actionable strategies grounded in brain science and cognitive psychology to foster authentic student engagement, including strategies that address motivation, choice, and relevance.
  - **Multi-Tiered Systems of Support (MTSS):**  
Design and implement comprehensive MTSS frameworks to support all learners academically, behaviorally, and socially. Emphasize early intervention, progress monitoring, and continuous improvement cycles.
  - **Social-Emotional Learning (SEL):**  
Build SEL frameworks that promote student well-being, resilience, and self-regulation. Support staff in integrating SEL practices across classroom and school settings.
  - **Brain Research & the Science of Learning:**  
Translate cutting-edge neuroscience into practical classroom strategies. Focus on how the brain learns, processes emotions, and retains information to optimize instructional practices.
  - **Instructional Coaching & Teacher Development:**  
Lead coaching cycles focused on evidence-based teaching practices, student-centered learning, and reducing teacher talk time to maximize student thinking and engagement.
-

## Program & Organizational Development

- **Program Development & Evaluation:**  
Guide teams in designing high-impact educational programs with clear logic models, implementation plans, and evaluation systems to measure success.
  - **Grant Writing & Resource Development:**  
Deliver comprehensive training on prospect research, grant writing, and funder engagement. Support teams in crafting persuasive narratives, building budgets, and ensuring compliance.
  - **Leadership Mentoring & Executive Coaching:**  
Provide personalized coaching for school and district leaders in instructional leadership, strategic planning, and change management with an emphasis on equity and emotional intelligence.
  - **Strategic Planning & Change Management:**  
Facilitate strategic planning processes that align vision, mission, and measurable goals. Lead organizations through transformational change while fostering stakeholder buy-in.
- 

## Data, AI, & Innovation

- **AI-Powered MTSS & Data Systems:**  
Explore how AI platforms can enhance MTSS through predictive analytics, automated interventions, and real-time data insights. Support schools in building efficient, equitable support systems.
  - **Leveraging AI for Instructional Design:**  
Introduce AI tools that personalize learning pathways, assist in curriculum development, and support differentiated instruction based on student data.
  - **Storytelling with Mixed Data Sets & Convergent Points:**  
Teach teams how to craft compelling narratives by integrating qualitative and quantitative data. Highlight how to use convergent points to drive strategic decisions and inspire stakeholder action.
- 

## Specialized Offerings

- **SEL & Mental Health Advocacy:**  
Provide training on trauma-informed practices, mental health supports, and creating safe, inclusive learning environments for all students.
- **Building Inclusive School Cultures:**
